What is LBRA?

Little Britches is one of the oldest continuing junior rodeo associations in the nation. The National Little Britches Rodeo Association of Michigan (NLBRA of MI) was established in 1998 and is a 501-C3 non-profit youth rodeo organization. Contestants range in age from 4-18 years old. The association is made up of amazing volunteers who have come together to promote the great sport of youth rodeo. The purpose of the organization is directed towards building character, self-reliance, and good sportsmanship in our youth. It enables kids to set goals and challenges them to accomplish such goals through discipline, organization, and physical fitness.
